## Thank You For Your Help!!!

I look forward to getting input directly from you on the issues facing our families and our state. This year, I am asking you to take a few minutes out of your busy schedule to answer some questions regarding issues the legislature will face this session.

Your input on important issues ranging from health care to the state budget are an important part of making Western Wisconsin voices heard in Madison.

Thank you in advance for your help. I greatly appreciate your continued thoughts and input.

Sincerely,  
*Kitty*
